POWER OF THE PRESS.

ONE of the evidences of the power of the press is shown in the result of the election. In East San Jose and Campbell the POST and the PRESS, both papers being under the same management, conducted a ceaseless campaign for four candidates—Langford, Campbell, Bateman and Treanor—with the result that these four ran away ahead of their ticket, and defeating their opponents in strong Republican precincts. Here are the figures:

EAST SAN JOSE.

Langford	120	Bateman	119
Ross	111	Parkman	98
Campbell	129	Treanor	121
Free	95	Flannery	90

CAMPBELL

Langford	79	Bateman	69
Ross	56	Parkman	53
Campbell	77	Treanor	73
Free	43	Flannery	46

When you consider that these two precincts are strongly Republican the figures are significant. In the precincts adjoining Campbell where the PRESS has a good circulation the usual Republican majority was either beaten or held down for these offices. It is a record we are particularly proud of.

FROM election returns received at the time of going to press it is thought that Gillett, (Rep.) is elected governor by about ten thousand plurality, and carrying to victory the entire Republican ticket, with the exception of Judge Carroll Cook for the Appellate Court, he being defeated by Judge Cooper, a man with a splendid record. It is a source of great satisfaction that Judge Carroll Cook is defeated in this district, for he was a Rueff tool. Judge Dooling may win over Kerrigan, the result being very close. Bell would easily have won had it not been for the vote that went to Langdon. As it was Bell carried Northern and Central California, but the Los Angeles territory saved the day for Gillett. Langdon's vote, while being very complimentary to him as an independent candidate, yet resulted in the defeat of Bell, as was generally expected.

IT is said that District Attorney Campbell will contest the election of Arthur Free to that office, the majority being so small, and believing that the ballots honestly counted in court will show his election by a good majority. If, as is charged, gross irregularities were practiced in San Jose to defeat Mr. Campbell and Mr. Langford, the sentiment of the people should be back of Mr. Campbell in his determination to see that the ballots be properly counted after they have been cast. In the light of what transpired in some of the booths in San Jose on election day and during the canvas of the returns it would appear that Mr. Campbell has good grounds for a contest. It is a disgrace that such men as served on some of the boards should be tolerated. When the habituates of bawdy houses and gambling dens are placed on the election boards, it is about time decent people entered a protest.

THE majority of the defeated candidates are around with the smile of a "good fellow", even if defeated. There are some, however, who are not good losers, and are sore.

EDITORIAL BRIEFS.

"If the Czar only had tact," suggests a contemporary. Probably a typographical error. Meant "Taft."

When the people find out whom the Standard Oil crowd wants defeated, they generally decide that he is a good man to elect.

A N. Y. man has been arrested for registering fourteen times, though why he was stopped that early in the game no one seems to know.

"Shall the tail wag the dog?" asks an excited N. Y contempory. Don't know for sure; looks like the tail is wagging the tiger alright.

What Mr. Hearst ought to do is to syndicate about fifteen or twenty offices and run for them all in a bunch. It would save time and expense.

A Washington family in which triplets have just arrived named them all for Roosevelt. Yet some people contend that republics are ungrateful.

The treasury department formally announces that there is a famine in bills of small denomination. Most of us are willing to accept the larger kind.

Henry H. Rogers, vice-president of the Standard Oil Company, is so anxious to see Hearst defeated for the goveronship of N. Y. that he could not "keep quiet" about it.

First Gen. Stoessel was sentenced to be shot, then he was dismissed from the army in disgrace, and now he has been permitted to resign. Gen. Stoessel seems to be looping the loop.

Tim Woodruff, chairman of the Republican committee in N. Y., says that "80 per cent of the campaign funds in former years, came from the corporations." At last Judge Parker may consider himself vindicated.

A scientist says that the Isthmus of Panama is sinking into the ocean at the alarming rate of about two inches every fifty years. Unless Uncle Sam moves more promptly, there may be no need of the canal by the time it is finished.

Sells More of Chamberlain's Cough Remedy than All Others Put Together.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was into Canada, and I sell as much of it as I do all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by Farmers Union, Agents.

In Time of Peace.

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by Farmers Union, Agents.

The Main Highway.

Southern and Union Pacific Railways, via Ogden, across Great Salt Lake to Omaha, Kansas City, Chicago and East. The great transcontinental trunk line with magnificent, fast, daily, overland, limited trains and personally conducted tourist excursions in quickest time. All tickets good via San Francisco. See nearest Southern Pacific Agent.

Croup.

A reliable medicine and one that should always be kept in the home for immediate use is Chamberlain's Cough Remedy. It will prevent the attack if given as soon as the child becomes hoarse, or even after the croupy cough appears. For sale by Farmers Union, Agents.

Golden State Limited.

Unexcelled in equipment and time, Los Angeles to Kansas City, St. Louis and Chicago via El Paso and Rock Island route. Shortest mileage,—straitghest route. Personally conducted tourist cars. C. Berry, agent, Campbell, or E. Shillingsburg, D. F. & P. A., San Jose.

Chapped Hands.

Wash your hands with warm water, dry with a towel and apply Chamberlain's Salve just before going to bed, and a speedy cure is certain. This salve is also invaluable for sore nipples, itching piles and skin diseases. For sale by the Farmers Union, Agents.

PRESS NOTES

Do you love good music? Do you enjoy a hearty laugh? Then do not fail to attend the musicale at the Congregational church Nov. 16th.

The telephone company has everything arranged at the new location in Mr. Brundage's store. A new telephone closet has been installed for the accommodation of patrons. Miss Ivy O'Connor is in charge.

Cut this out and take it to the Farmers Union and get a free sample of Chamberlain's Stomach and Liver Tablets. For biliousness and constipation they are unequaled. They improve the appetite, strengthen the digestion and regulate the liver and bowels.

The Southern Pacific Co. paint car and crew have been sidetracked here the past week and the depot building, freight platform, and water tank have received a neat coat of paint. The job is a very thorough one and adds materially to the appearance of the property.

The Choral Club is making good progress and had a fairly good attendance Thursday night. It is desired to enlist every singer in the community in the chorus. More bass and tenor voices are particularly needed. Don't forget the evening, Thursday of each week.

The new Farmers' Mutual Telephone Co. has started in on the construction of its first line. Holes are being dug for the poles along Rincon avenue, and the work will be pushed forward rapidly. This is an improvement long hoped for. Success to the new enterprise.

The Ladies' Guild of the Congregational Church prepared a pleasant surprise for their pastor's wife Thursday afternoon, at the residence of Dr. and Mrs. Cooper. Each member came armed with a parcel which contained some useful or ornamental linen article, and these in due time were showered upon Mrs. Atkinson in the cleverest possible manner. Besides being an entirely successful surprise, the affair was a social occasion of rare enjoyment.

The Rebekahs had a Hallowe'en party last Tuesday evening which was most enjoyable. Besides the usual seasonable games a doll dressing contest provoked much merriment W. W. Dunham won the prize for the best dressed doll and Frank Needham for the worst. Mrs. E. H. Black in the witches tent told wonderful fortunes. The grab bag presided over by Mrs. William Howard was also a popular feature. Dancing followed a fine supper. Mesdames Relfe, Neff and Dunham were the committee in charge.

For the Benefit of the Coffee Club.

The musicale to be given at the Congregational church on Friday evening, Nov. 16th, will be an event worth hearing, and as the object is a worthy one, no doubt there will be a large attendance. Following is the program: Piano solo, Mrs. Schuyler; Duet, Misses Davis and Rodeck; Reading, Miss Macomber; Solo, Mrs. William Beall; Quartette; Reading, Miss Macomber; Duet, Misses Copeland and Davis; Solo, Mr. Morton; Reading, Miss Macomber; Solo, Mrs. Hartman.

Good Roads or No Rural Delivery.

It is announced that the government will look more carefully to the enforcement of its rule regarding the roads over which rural free delivery is established. The present requirement is: "Roads traversed shall be kept in good condition and unobstructed by gates; there must be no unbridged creeks or streams not fordable at any season of the year." In many cases the residents along proposed routes have made improvements that enable them to obtain rural delivery service, but sometimes the efforts to keep up the roads are relaxed. But the government has decided that unless the roads traveled by the carriers are properly maintained the service will be withdrawn. The Postoffice Department now calls on the carriers for reports on the roads, and will stop the service where the highways in question are bad.

The 35,973 rural delivery carriers now employed cover 863,363 miles daily, and it is unreasonable to expect them to contend with neglected roads or to work for communities lacking the enterprise to keep their common highways in decent shape. Wherever a route is discontinued the inhabitants themselves will be to blame for it, for if alive to their own interests and their duty to the public they would give their roads vigorous and constant attention. The idea that a route once authorized is necessarily permanent is a mistake. Advice on the best road methods is supplied by the Agricultural Department, and a neighborhood that loses its rural delivery must itself bear the discredit for so unpleasant and humiliating an event.

A HOT ELECTION

Langford, Bateman, Kell, Free and Flannery

The election Tuesday proved to be one of the most exciting in the history of the county. From the first the result was in doubt, and not until Thursday afternoon, when the last precinct returns were in, was it certain just who was elected in one or two instances.

The main fight centered on the Sheriff and District Attorney. It is safe to say that Arthur Langford is the only one in the county who could have beaten Sheriff Ross, against whom nothing can be said. Arthur M. Free has 89 majority, a very close margin in so large a vote polled. Barney Kell is elected over Dr. Simpson, in a close vote, as is also Dan Flannery over Thos. Treanor. For the other offices the contests were not so close.

Gillett carried the county for governor, Congressman Hayes is re-elected, and the entire Republican legislative ticket is also elected.

One thing the citizens of the county are to be congratulated on and that is the defeat of Supervisor Geo. Elmer Rea by Hugh Hershman, a man of ability and integrity.

The following are the complete returns, except the vote for minor parties, showing the majorities for each successful candidate:

The election passed off quietly in Campbell Tuesday, although much interest in certain candidates was manifest. A full vote was not polled here, some being out of town. So after 22 years of service Judge Herrington steps down and Chas. Thompson takes his place.

Miss Esther Macomber will furnish some delightful recitations at the musicale, Nov. 16th. By attending you may be sure of a most enjoyable evening of mirth and music.
